DUTIES & RESPONSIBILITIES:

Health and Wellness Education:

- Plan and continually update a developmentally appropriate health education program based on the evolving needs of the community and nationally recognized standards and trends.
- Implement the health education plan working closely with faculty and administrators.
- Educate students, families, faculty and staff on the concept of wellness and prevention

Nursing Care:

- Provide direct nursing care for students who present with injuries or acute illness and contact 911 (when necessary).
- Administer medication and assist in screenings
- Help to maintain student health records.
- Maintain nursing office equipment and stock necessary health care supplies

QUALIFICATIONS:

Bachelor of Science in Nursing (BSN)

Maintain current license as a Registered Nurse in the Commonwealth of Massachusetts

Maintain certification in CPR and First Aid from a recognized provider

THE SCHOOL:

The Sage School is a Pre-K to Grade 8 School located in Foxborough, MA.

of students: 150-200

The Sage School's mission is to prepare gifted students to excel, by providing a comprehensive program of academic rigor and social growth inspired by passionate teachers within a nurturing community.

The Sage School is New England's leader in gifted education. Located in Foxborough, Massachusetts, we pride ourselves on offering a challenging curriculum, academic peers, and creative learning opportunities for the brightest students in the Greater Boston and Providence areas. Since 1990, we have provided an advanced learning environment for children to reach their potential. Small class sizes, experienced teachers trained in gifted education, and a curriculum designed especially for gifted students make The Sage School an ideal choice for parents looking to give their children a strong academic foundation upon which to build and to grow.

The Sage School is an equal opportunity employer.
