PreSchool Nurse/Long term substitute/Deadline for applications is September 1, 2020

Concord Integrated Preschool is looking for a Registered Nurse to cover a leave of absence through November. The position is four days a week, Monday through Thursday.

-Responsible for developing, implementing, coordinating and managing school health services at the Concord Integrated Preschool.

-Assessment, nursing diagnosis, outcome identification, planning, nursing intervention and evaluation of acute, chronic, and public health issues.

-Documentation and data processing are required as part of the nursing process and to comply with state requirements.

-Mandated screenings and reporting must be completed.

-Strong leadership and communication skills with students, staff, administration, parents, health care providers, community agencies and the Department of Public Health.

-Supervises the administration of medication in compliance with school policy and state regulations.

-Responds and intervenes in emergencies.

-Initiates, performs and oversees all state mandated programs and screenings.

-Authorizes exclusion and re-admission of students in connection with contagious diseases according to DPH recommendations

This is a long term substitute position from August 27, 2020 through December 1, 2020

Salary: Appropriate step/lane on teacher's salary schedule

It is the policy of the Concord Public Schools and Concord-Carlisle Regional School District not to discriminate on the basis of race, gender, religion, national origin, gender identity, color, ancestry, sexual orientation, age, criminal record, genetics, or disability in its employment practices.
