

Job Posting for Meadowbrook School of Weston/ School Nurse

The Meadowbrook School of Weston is currently looking for a School Nurse to assist in the Health Office. The school nurse will work directly with the Director of Health Services as well as with the school administration in the implementation and management of a coordinated school health program, which is consistent with Meadowbrook Schools' philosophy, goals and objectives as well as consistent with MA guidelines and regulations governing school health nursing. Daily responsibilities will include monitoring daily health screenings, triage and assessment of all students, as well as addressing staff medical needs as necessary. Exceptional clinical skills in nursing, excellent interpersonal skills, strong organizational skills and data processing abilities needed. Hours for this position will vary depending on the needs of the school. Initial hours will be 8-4, M-F. Please send letter of interest and resume to swright@meadowbrook-ma.org.
