

## JOB DESCRIPTION: SCHOOL NURSE

### Location/Demographics

Ashland Middle School, Grades 6-8, population of 700 students.

### Scope of Responsibilities

The school nurse is responsible for developing, implementing and managing school health services for a school population as defined by the school district. The primary role of the school nurse is to support student learning. The nurse accomplishes this by implementing strategies that promote student and staff health and safety.

### Qualifications

- A valid license to practice as a Registered Nurse in Massachusetts;
- Certified or certifiable as a School Nurse, Massachusetts Department of Elementary & Secondary Education
- Current certification in cardiopulmonary resuscitation & AED
- Such alternatives to the above qualifications as the School Committee may find appropriate and acceptable
