

REGISTERED NURSES- SUMMER PROGRAMS

Worcester Public Schools

Worcester, Massachusetts

Starting Date: June 29, 2022

REPORTS TO: Nursing Supervisors

ANTICIPATED START DATE: June 27, 2022

DURATION OF PROGRAM: Approximately 4-6 weeks

Worcester Public Schools is looking for school nurses to cover our extended Summer School Program. We offer a very competitive hourly rate in a professional atmosphere. Worcester is a very diverse community with a large underserved population of students and families. During the summer you will provide our students with essential nursing care to include medication administration, GT/JT care and feedings, asthma treatment, acute injury care, and assessment and referral for a variety of potential problems that may arise in a school-based population. We have openings in elementary, middle, and secondary schools where you will work with a team to ensure all students are able to achieve optimal health and hence school success.

Candidates must hold a valid license to practice as a registered nurse in the state of Massachusetts (M.G.L. c 71, s. 53), and maintain certification in cardiopulmonary resuscitation from a recognized provider (i.e. American Red Cross, American Heart) and in First Aid.

HOURS: Vary depending on site- 8:00 a.m.-12:00 p.m. or 9:00 a.m.-1:00 p.m. Monday-Thursday.

Contact Person: Debra McGovern, Director of Nursing
