Location Description

Revere Public Schools is located adjacent to and just North of Boston, MA on the Atlantic Ocean. The district is comprised of eleven schools; six elementary, 3 middle, one high school, and one alternative middle and high school. We serve close to six thousand students of which 62% receive free/reduced lunch, and 42% return from school to

homes where English is not the primary spoken language.

As urban educators, the district is proud of its accomplishments; testing in many areas in MCAS above State Average. In addition, the district has been recognized as a 2003 Vanguard District by Mass Insight Education, a 2006 finalist by the National Center for Urban School Transformation by San Diego State University, 2006 academic outperformer by Standards and Poor, and most recently, Revere High School was one of thirty five MA schools to be named a Compass School by the MA DOE, and one of our elementary schools, the A.C. Whelan School was nominated by the Massachusetts Department of Education to the US Department of Education for recognition as a Blue Ribbon School.
