

Public Health Nurse

Are you a school nurse looking to expand your community nursing experience while continuing to grow your public pension? Becoming the Town of Dedham's Public Health Nurse is the perfect position for you.

The Town of Dedham seeks highly qualified candidates for the position of Public Health Nurse to administer and implement the Health Department's public health nursing functions including, but not limited to, administering immunizations; conducting communicable disease investigations; assessing needs, planning and implementing interventions to support the health of residents; participating in public health clinics and educational programs; participating in and directing population health-focused emergency preparedness.

The successful candidate should have a bachelor's degree in nursing and three to five years of general or public health nursing. A valid Massachusetts nursing license is required.

Hourly Rate: \$36.68-\$48.56 (full-time 37.5 hours per week). The Town of Dedham offers a full benefits package including a defined benefit pension plan.
