Easterseals Massachusetts is seeking a Nurse for the daily health program at The Bridge Center (TBC) Day Camp. Camp programming runs for one week in April and six weeks over the summer.

Easterseals MA at The Bridge Center is a fully accessible, 22-acre campus offering year-round recreation, camp, and equine-assisted programs for individuals with disabilities. All programs are instructed by skilled staff and are designed to meet the social, emotional, and physical goals of participants. Through innovative programming, The Bridge Center encourages independence and helps participants build important life skills. The Bridge Center campus consists of numerous outdoor fields, a beautiful pond, an equestrian center, a splash pad, multiple buildings for activities and events, and more.

General Job Responsibilities

- Provides nursing care to TBC participants including administering medications, performing first aid (cuts, scrapes and bruises, bee stings, dehydration and sunburn, etc.), injury and illness evaluation and management.
- Reviews participant charts and ensures that nursing care is done promptly.
- Evaluates participants' conditions as needed and reports to Health Care Supervisor and the Director of Recreation or designee.
- Recognizes and responds calmly and effectively to participant emergencies by following TBC code procedures including completing required paperwork in a timely manner.
- Be a medical resource that would bridge the gap between basic medical knowledge and emergencies.

Qualifications

- Massachusetts Registered Nurse or Licensed Practical Nurse
- CPR and First Aid Certified

Preferred Experience:

- 1+ years working with individuals with disabilities
