Description Dallin School Nurse - full time

Arlington Public Schools are committed to creating an inclusive and safe learning and working environment that reflects a diversity of perspectives, values, and experiences. We welcome staff who are aware of the role that bias and prejudice play in society, are creative and willing to try new approaches, and are reflective about their daily practice. We are looking for candidates who welcome a challenge, are eager to collaborate and contribute to the success of students, are ready to engage in two-way partnership with families, and who will contribute their diverse talents to the organization as a whole.

“School nursing is a specialized practice of professional nursing that advances the well being, academic success and life-long achievement and health of students. To that end, school nurses facilitate positive student responses to normal development; promote health and safety, including a healthy environment; intervene with actual and potential health problems; provide case management services; and actively collaborate with others to build student and family capacity for adaptation, self-management, self advocacy, and learning.”
~ National Association of School Nurses 2010
